

Pancake Day Tuesday 28th February

Shrove Tuesday has reached a whole new level here; rather than using up your leftovers in the cupboard (as it all began) we are flippin' up a storm! From thin French crêpes, to American fat pancakes, you can have them flipped, filled, tossed to your heart's desire, paired with your perfect filling...maple syrup, streaky bacon, Nutella chocolate sauce, ice cream, strawberry jam, fresh fruits, yoghurts and banana and more. There's a kid in all of us- and today we should have it all! Bring the kids after school and let us do all the hard work.

Valentines Afternoon High Tea

Tuesday 14th February from 2-5pm

Let our beautiful 3-tier heart shaped stands of dainty assorted finger sandwiches, homemade cakes, pastries and Cornish scones with cream and jam be the key to the heart, with a glass of prosecco or loose leaf tea (or if you'd prefer, the Oak can send down a beer or two!)

Mothering Sunday High Tea

National Breakfast Week

23rd to 29th January

We're going across the countries from our homeland of the delicious 'Full Monty', up to Scotland for creamy rolled oats, across to France for fresh baked croissants, pains au chocolats and pastries, on to the Continent with cured hams, cheeses and pickles, to Greece for yoghurt, fresh fruits, granola and honey, then over the pond to the US and Canada for pancakes, streaky bacon and maple syrup.

New Year's Day

We're serving New Year's Day brunch from 10am.

Recover from the antics of the night before, and let us sooth the way into 2017. Meanwhile in the Oak, our lovely roasts will be served from 12 noon, so don't worry if you miss breakfast! We're open till 4pm to get you straight again. Heather's amazing cheesecakes and Dutch apple pies will tempt even the firmest resolutionists!

Takeaway Fish & Chips

We Take On The Winter Blues...

There's no need to be glum after the joys of Christmas! We're beating off the chill by wrapping our teapots in cosies, and serving warming spiced berry teas, hot mulled cider for rosy cheeks, and an array of flavoured coffees from the 'Sminty-Minty Cocoa' to the Toffee Apple Latte; gorgeous! Hot freshly baked puddings are wafting their way seductively out of the kitchen... arrive early before Lou eats them all!
